Kentucky Lepidopterists*

SUPPLEMENT TO VOL. 11, NO. 4

Nov. 1, 1985

IMPORTANT NOTICE

THE ANNUAL MEETING IS TO BE NOV. 15-16, 1985, NOT NOV. 8-9.

An error was made on the first page of Vol. 11, no. 4, regarding the date of the annual meeting. Other particulars are correct. Please mark your calendars, and accept the Editor's apologies.

The meeting plans are going ahead splendidly. I am happy to announce that Dr. Warren "Herb" Wagner of the Univ. of Michigan will be attending for the first time, and will give a talk on "Problems of Celastrina in Eastern N. America." As you may know, besides being an expert on ferns, Dr. Wagner has studied the life history of Celastrina ebenina, and also has data on other species, including neglecta-major.

Other members from whom I have heard, who say they will attend the meeting include: Dave Baggett (our featured speaker), George Balogh, Denny Currutt, Les Ferge, Leroy Koehn, Loran Gibson, John Hyatt, Charlie Watson, John Peacock, Barry Nichols, David Flaim, Roy Rings, Mike McInnis, Jim Merritt, and Bob Robbins. We hope Stan Nicolay and Ben Ziegler might make it, too.

Don't forget to bring: specimens to "show and tell" about; any books or articles you might wish to auction; and anything for door prizes.

I understand that it will be all right to park in the lots directly north of the Life Sciences Bldg. on Saturday. Let me know if you need directions.

Your MEMBERSHIP LIST is enclosed. Please let me know if there are any corrections to be made. While those who are paid only through 1984 are included, they are reminded to please get up to date before the end of the year. Thanks. Still \$3.

Some people have asked me which of Tom Emmel's trips for 1986 I plan to participate in. I hope to go on the March trip to French Guiana and the Aug. trip to Costa Rica.

We have added several new members as a result of the ad in the NEWS of the Lepid. Society. They will be introduced in the next regular issue of the newsletter.

Your Editor begins a year's stint as President of the Ky. Academy of Science as of 8 Nov.

Congratulations to John Calhoun and Julie Cornett on the occasion of their wedding!
